# Browser Extension Overview

Various options are available within the Browser Extension software.

## Open Browser Extension

Click the **Browser Extension Icon** on the top right hand side of the browser. The following screenshot shows the icon for Chrome.

Click the Browser Extension icon.

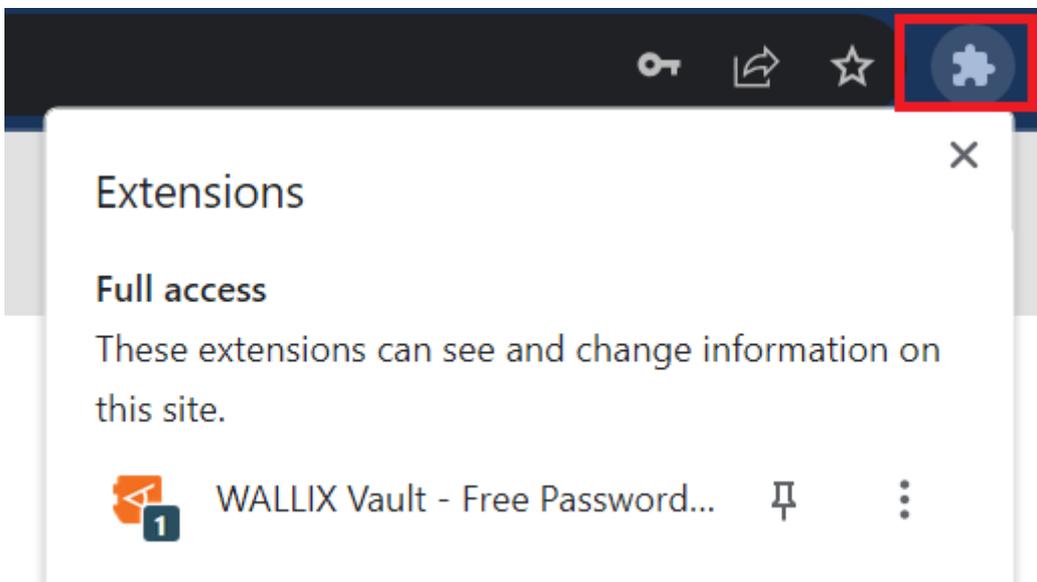

The WALLIX Vault **Browser Extension opens** in the **Tab Screen.**

## Tab Screen

This screen shows the **items saved** in the Vault for the currently displayed webpage.
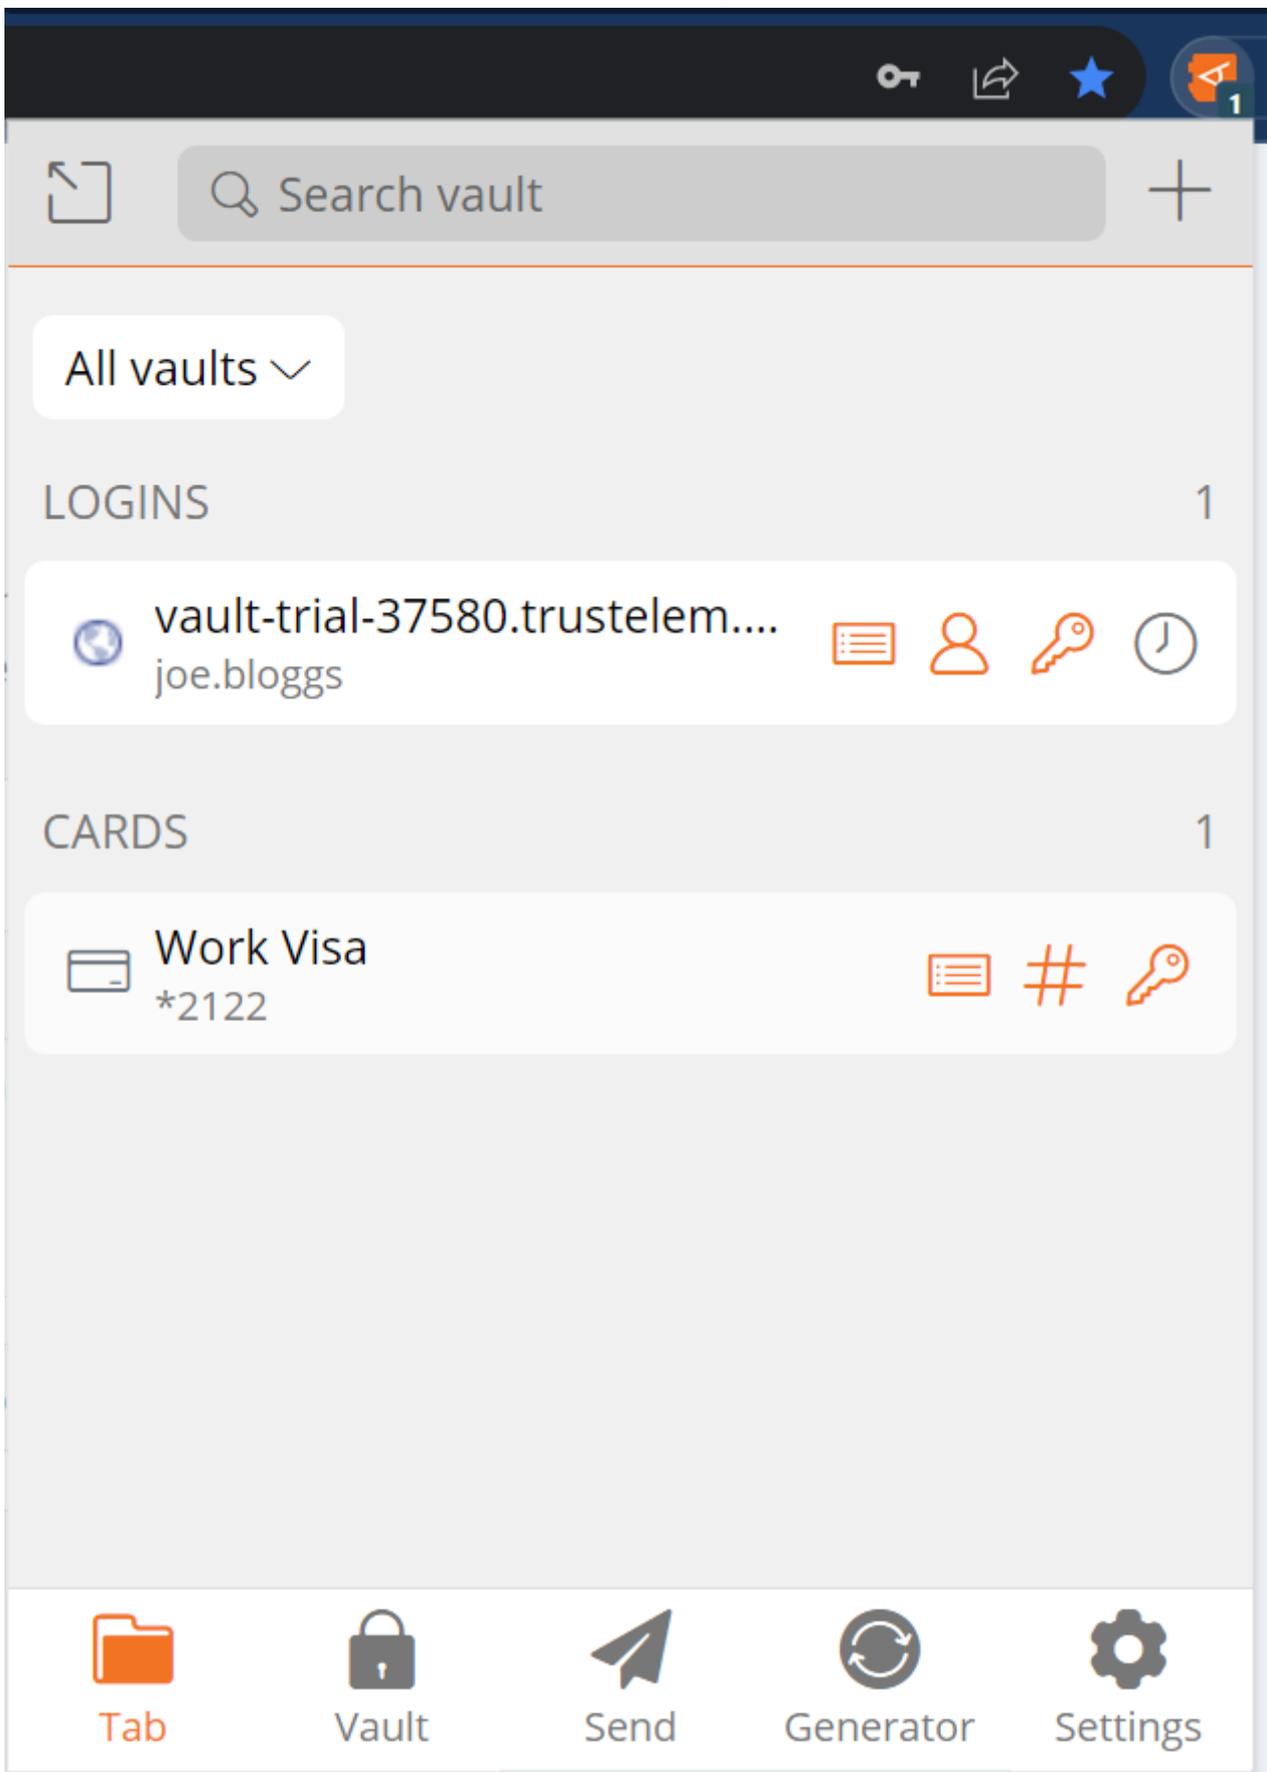

# Vault Screen

This screen displays the list of Vaults and their Items.

Q Search vault                                             +

All vaults ∨
