The following fields are available. Only the name field is mandatory.

- **Type:** Identity, for Identity Item.
- **Name:** Choose a name that easily identifies the item.
- **Folder:** This dropdown allows you to choose the folder you want to add the login to.
- **Notes:** You can add secure notes in this field.

- **Custom Fields:** You can add one or more custom fields. Learn more about [Custom Fields](#).
- **Master Password re-prompt:** Check this box to be prompted to enter your Master Password to access this login.
- **Ownership:** Choose which Vault owns this item from the dropdown menu. By default it is owned by your Vault unless you choose otherwise.

Who owns this item?

Click the  favourites button to **add** this item **to** your **favourites**.
