

Account Switching on Mobile App

It is possible to have up to 5 WALLIX Accounts logged in at any one time on mobile devices.

Login to Multiple Accounts

Login to the **WALLIX Vault Mobile App**.

The **Account Name and Status** is **displayed** in the **Top Menu Bar** of the Mobile App. The **status** indicates whether it's Vault is **locked** or **unlocked**.

To **log in** to **another account**, click the **Add Account button** from **Top Menu Bar**.

The **Login screen** is displayed. Enter Login details to login.

If your **Accounts** are hosted on **Different Servers**, select the **Server** from the Login Screen.

The **Account Name and Status** is **added** to the **Top Menu Bar**.

To **Switch between Accounts**, choose the **Account** from the **Top Menu Bar**.

This becomes the **Active Account**. It's **icon is** displayed on the **Top Menu Bar**.

If you **Log Out** from an account it will **disappear** from the **Logged In Account List unless** Vault **Timeout** is **set** to **Log Out**.

Most Vault Actions (Vault Timeout, Unlock with PIN, Unlock with Biometrics, Auto-fill) **only apply** to the **Active Account**

Auto-fill for Multiple Accounts

Auto-fill applies to the Active Account by default.

It is possible to **switch accounts during Auto-fill** in order to auto-fill from another account.
