

Edit Folder

Click on a **folder** in your Vault List.

The screenshot shows the 'All vaults' section of the application. On the left, a 'FILTERS' sidebar is visible, containing a search bar and a list of folders. The 'Redstone Project' folder is highlighted with a red box, and an edit icon (pencil) is visible next to it. The main area displays 'All vaults' with a table header and a message 'There are no items to list.' with a '+ New item' button.

<input type="checkbox"/> All	Name	Owner	
 <p>There are no items to list.</p> <p>+ New item</p>			

The  **Edit** button is displayed beside the folder.

Click on the  **Edit** button to open the Folder in the **Edit Screen**.

The screenshot shows the 'EDIT FOLDER' screen. The title bar displays 'EDIT FOLDER' and a close button. The main area features a 'Name' label and a text input field containing 'Redstone Project'. At the bottom, there are three buttons: 'Save', 'Cancel', and a trash icon.

Change the folder name and then click the **Save** button to save your changes.

Alternatively, click the **Cancel** button to cancel the operation.
