

Login to Vault

First Level Authentication

Navigate to the WALLIX Trustelem Portal.

Enter your **Email** and the **Password** you chose on first login.

You can check the **Remember Me** checkbox if you want to save your email and password to avoid re-entering them the next time you login.

Then click the **Sign In** button.

Remember me

Sign in

[Forgot your password?](#)

Note : If you forget your Password click the **Forgot your password ?** link at any time to request a password reset.

This logs you into the **WALLIX Trustelem Portal**.

Click on the **WALLIX Enterprise Vault** button to access WALLIX Enterprise Vault.

Applications

Second Level Authentication

The WALLIX Enterprise Vault screen displays an **Enterprise Single Sign On** button.

Click the **Enterprise Single Sign On** button.

Log in or create a new account to access your secure vault.

 Enterprise single sign-on

Enter your Master Password and click the **Unlock** button. This will bring you into your [Vault Home](#) Screen.

Note : If you are already logged into the WALLIX Portal, you can navigate directly to your WALLIX Enterprise Vault and go straight to the 2nd level authentication.
