

# Manage Member Access to Collection

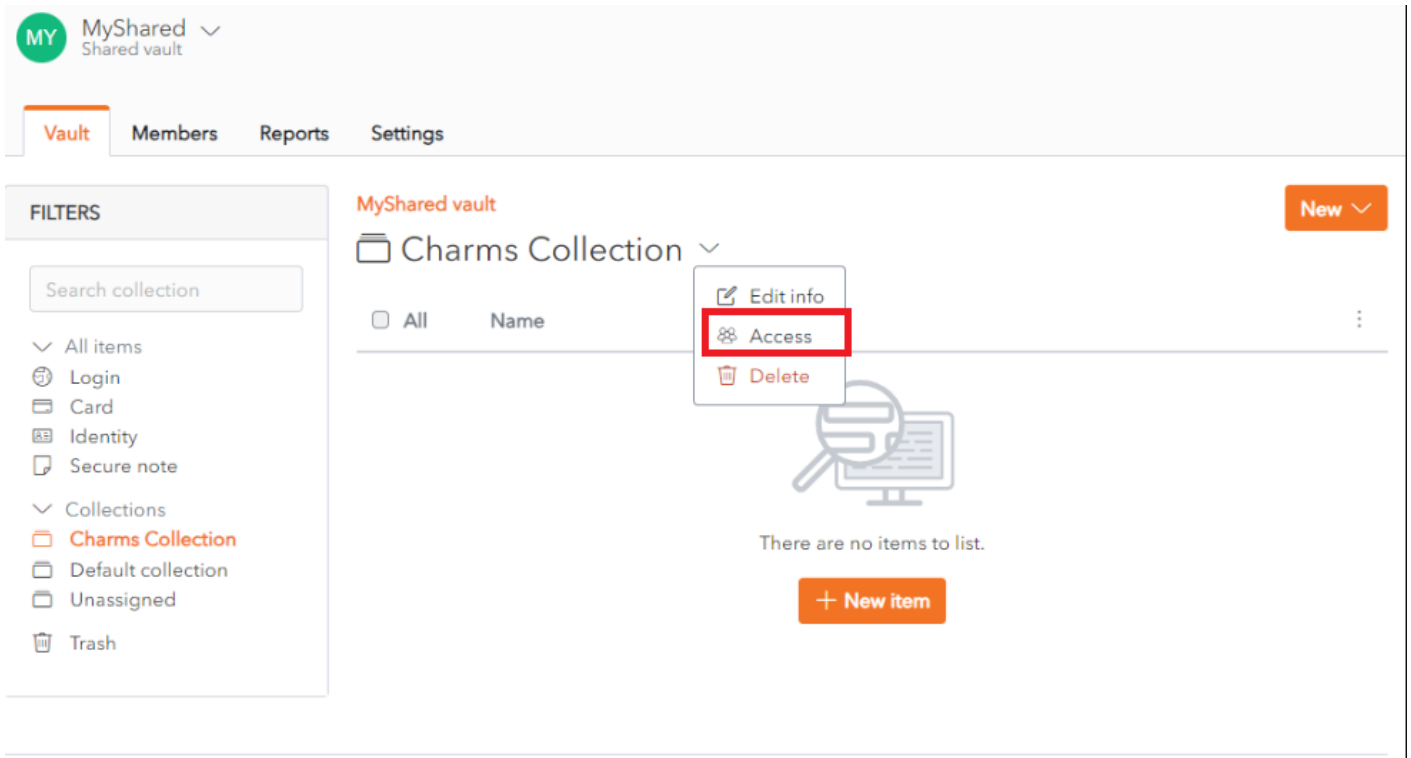

From the Shared Vault Screen, the Collections List is displayed by default.

Click the **More button** beside a Collection. A context menu is displayed.

Click the **Access** link.

**Alternatively**, the Edit Collection Screen can also be accessed from the Collection Screen by clicking the **More button** beside the **Collection Name**, then clicking the **Access link** in the context menu.

The **Edit Collection Screen** displays with the **Access tab** open.

## Grant Member Access

To **Grant a Shared Vault Member Access** to a Collection, select the **Permission** and **Select members**.
